

Patio Enclosures

Expand your living space...

STOP!! Before you just close in your outdoor room with flyscreen or the likes—consider your options!

Fixed, bifold or sliding aluminium shutters give you a beautiful outdoor room allowing you to control light, airflow and privacy.

External awnings with side tracks are now so good and affordable you can virtually seal a room in between posts. Now you see them and with a push of a button—now you don't!

Alternatively you can create a custom look with a mixture of products....
