

Series 9500

Side—Sealed Series

At the top of its game is the Series 9500. You have to see it to really appreciate it.

The fabric is fully housed in a cassette and then straight into heavy duty side channels which guides the fabric effortlessly up and down.

The base rail is a fully extruded rectangular section which completes the finish.

This blind can be operated manually or motorized.

No more flapping fabric—it is sure to impress!
